Core Area III: Social Science (6 hours, 2 courses)		GEOG 3924, Quantitative Methods	4	Free Electives	
				Electives to bring total applicable hours to	
1. Political Science 1113, American Federal Governmer	ıt	One regional geography course listed below:		124 including 40 upper-division hours.	
2		GEOG 3223, British Empire and its			
Core Area IV: Humanities (12 hours, 4 courses)		Successor States GEOG 4243, Geography of Asia			
		GEOG 4253, Latin America Geography			
a: Understanding Artistic Forms (3 hours, 1 course)		GEOG 4853, Geography of Africa			
 b. Western Civilization and Culture (6 hours, 2 cours 1. History 1483, U.S., 1492-1865, or History 1493, 1 			3		
2 (excluding HIST	Г 1483 and 1493)				
-		Six hours of Geography electives:			
c. Non-Western Culture (3 hours, 1 course):			3		
Core Area V: Senior Capstone Experience (3 hours, 1 ca	ourse):		5		
At least three hours of Upper-Division General Education completed outside the major.			3		
Additional College of Atmospheric and Bachelor of Arts Require					
Humanities or Social Science Elective (3 hours, 1 cours the University-Wide General Education Approved List.					
Humanities/Social Science:					
Natural Science Elective (3-4 hours, 1 course). With or To be chosen from the University-Wide General Education					
Natural Science:					
Foreign Language (6 hours, 2 courses at the intermedia successfully places beyond the second intermediate cours foreign language will become free electives.					
Intermediate Course (3 hours)					
Intermediate Course (3 hours)					
					1

INFORMATION CONCERNING GENERAL RULES, REGULATIONS AND MINIMUM REQUIREMENTS

TOTAL HOURS: A minimum of 124 semester hours acceptable toward graduation must be completed.

UPPER-DIVISION HOURS: A minimum of 40 upper-division semester hours acceptable toward graduation must be completed. OU courses numbered 3000 or above are upper-division. Transfer work is counted as lower-division or upper-division credit depending on the level at which it was offered at the institution where it was earned. Two-year college work is accepted only as lower-division credit.

SENIOR INSTITUTION HOURS: A minimum of 60 semester hours applied toward graduation must be earned at senior (4-year) institutions.

RESIDENCY:

- A minimum of two semesters must be spent in residence in the College of Atmospheric and Geographic Sciences.
- At least 36 of the last 48 hours must be completed in residence at OU.
- INDIVIDUAL STUDIES: No more than six hours of independent study or directed readings may be applied toward degree requirements.

GRADE POINT AVERAGES: Students must earn a minimum overall 2.25 for each of the following: Combined Retention GPA (all college grades), OU Retention GPA, GPA for all major courses, and GPA for all major courses taken at OU.

Refer to the OU General Catalog for more complete information.

Suggested Semester Plan of Study — Bachelor of Arts in Geography: Physical & Social Sciences (B460 P506)

This plan shows one possible grouping of courses that would allow students to graduate in four years. Please refer to the front of the degree checksheet for official requirements. Students must consult with College of Atmospheric and Geographic Sciences and/or Department of Geography and Environmental Sustainability academic advisers to verify that courses selected each semester fulfill the recommended plan and satisfy university, College of Atmospheric & Geographic Sciences, and Geography major requirements.

tion approved math course must be completed. = Thirty hours of adviser-approved coursework relevant to the student's field(s) of study. These 30 hours are to be outside the student's major School or Department, and must include two intermediate-level foreign language courses, or the student must demonstrate competency at the intermediate level.

³ = One Geographic Information Science course (3 credit hours) chosen from GIS 4133, or 4013.

⁴ = One regional geography course (three credit hours) chosen from GEOG 3223, 4243, 4253, 4853, or a course approved by faculty adviser.

NOTE: No more than 52 hours of Geography coursework may be taken to fulfill the 124-126 minimum total credit hours required.

Bachelor's degrees require a minimum of 48 hours of upper-division (3000-4000) coursework. This plan of study should not be used in lieu of academic advisement.
