IAS 5980 Research for Master's Thesis (Thesis students only)

The master's degree requires the equivalent of *at least* two semesters of satisfactory graduate work and additional work as may be prescribed for the degree.

All coursework applied to the master's degree must carry graduate credit.

Master's degree programs which require a thesis consist of *at least* 30 credit hours. All non-thesis master's degree programs require *at least* 32 credit hours.

Credit transferred from other institutions must meet specific criteria and is subject to certain limitations.

Courses completed through correspondence study may *not* be applied to the master's degree.

To qualify for a graduate degree, students must achieve an overall grade point average of 3.0 or higher in the degree program coursework and in all resident graduate coursework attempted. A student must also have at least a 3.0 in all coursework (including undergraduate coursework if any).

The requirements listed on this degree check sheet apply to the following concentrations in Global Studies:

Global Economics & Development	F497/Q276
Global Security Studies	F497/Q278

A student who has done satisfactory graduate work and has earned a 3.0 grade point average may file for master's candidacy.
